UH, IT'S BEEN A WHILE NOW... I THINK YOUR STOMACH GUY FELL ASLEEP.

YEAH, JUST LET HIM REST. IT'S BEEN A LONG DAY.

TO BE HONEST, IT DOESN'T SEEM LIKE THIS GUY IS GOING TO WEAR OFF ANY TIME SOON...

AND IF IT DOES, WE'LL JUST SCREAM REALLY LOUD AND WAKE HIM UP.

...  
GREAT...

UH, ARE YOU OKAY? I KNOW IT'S UNCOMFORTABLE TO JUST HANG LIKE THIS FOR SO LONG.

I... I'M NOT TRYING TO STEP ON YOUR TOES OR NOTHIN'...

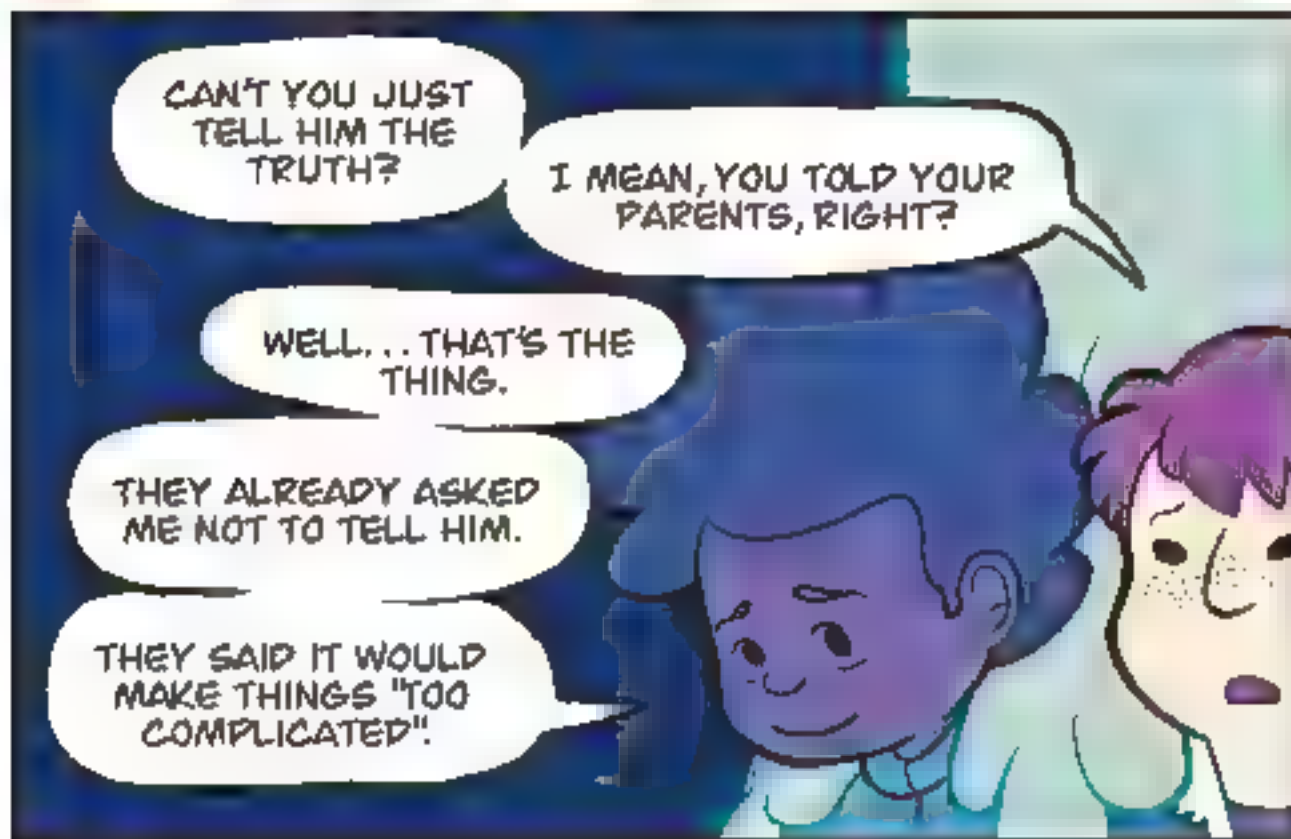

BUT I'M STARTING TO GET A LITTLE WORRIED.

YOU SURE YOUR FRIENDS ARE COMING?

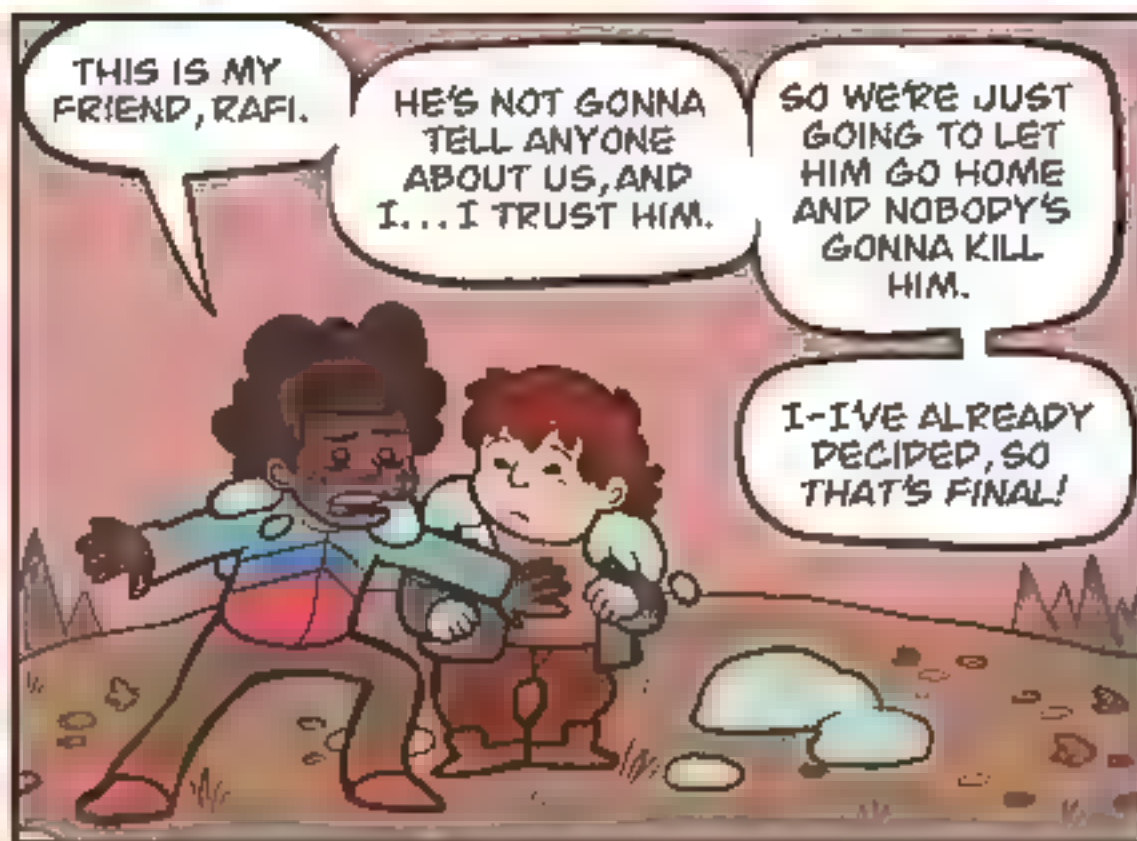

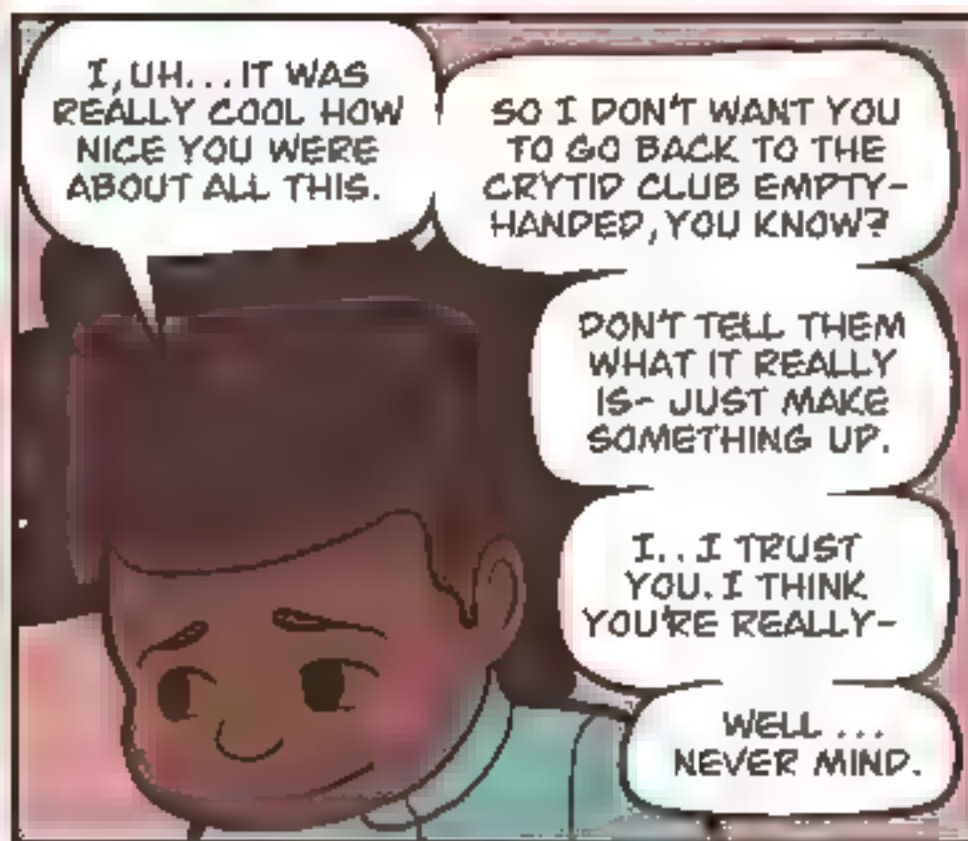

HEY! RAFI,  
WAIT!

WEST'S COMPLETE  
GUIDE TO...

# GUUZY'S GOO!

BLUE! BLUE GOO  
IS THE STICKY KIND.

IT'S THE ONE  
WE USE THE MOST  
OFTEN BECAUSE IT  
CAN STOP BAD GUYS  
WITHOUT HURTING  
ANYONE!

IT DISSOLVES  
AFTER A WHILE,  
SO NO NEED TO  
WORRY ABOUT  
CLEANUP.

GREEN!  
UM... THIS  
STUFF IS KINDA  
SCARY, IN MY  
OPINION.

GREEN GOO IS  
LIKE ACID... IT CAN  
DISSOLVE ALMOST  
ANYTHING.

I DON'T REALLY  
LIKE THINKING  
ABOUT IT...  
LET'S MOVE ON.

PURPLE! THIS  
STUFF IS REALLY  
USEFUL.

PURPLE GOO HAS  
HEALING POWERS!  
NOT ANYTHING TOO  
SERIOUS, BUT SMALL  
CUTS AND BRUISES,  
STUFF LIKE THAT.

IT ALSO FEELS KINDA  
REFRESHING AND SPARKLY,  
LIKE CHUGGING A LITER OF  
SODA (BUT DON'T DO THAT,  
IT'S REALLY BAD FOR YOU!)

THE PINK GOO...  
UH, THIS IS SORTA  
EMBARRASSING  
BUT WE HAVEN'T  
ACTUALLY FIGURED  
OUT WHAT THIS  
STUFF DOES YET.

IT KINDA  
FREAKS ME  
OUT...
